**Reading the Lesbian Romance** brings a social science perspective to an area hitherto dominated by the humanities. Through it, students will be able to follow the story of how sociology has come to engage with gay and lesbian issues from the 1950s to the present, from the earliest research on the underground worlds of gay men to the emergence of queer theory in the 1990s. Bringing together classic readings and the best work of younger scholars from all parts of the English-speaking world, this reader will be an invaluable resource for courses at undergraduate and graduate level in all areas of the sociology of sexuality and gender. Separate sections cover: * theoretical foundations * identity and community making * institutions and social change * challenges for the future. Each section begins with an introduction giving readers a brief guide to the readings in that section, contextualises them and relates them to one another.

feminism and queer studies to include the south in a formative role. Including in her study well-known authors—like Dorothy Allison and Alice Walker—as well as overlooked writers, publishers, and editors, Harker reconfigures the southern literary canon and the feminist canon, challenging histories of women's liberation, civil rights activism, gay liberation, and print culture. Broadly influential from the 1970s through the 1990s, the Women in Print movement created a network of writers, publishers, bookstores, and readers that

Pound – that bear responsibility for the ruin of today's classics in translation, to say nothing of poetry in the twentieth century. Beyond matters of reflection for classicists, Duban provides a far-ranging beginner's guide to classical and Greek homosexuality overall. He introduces us to Sappho's highly cultured island home, to its lyre-accompanied musical legends, and to the fabled beauty of Lesbian women. Not least, he emphasizes the proximity of Lesbos to scholarship by which Sappho is interpreted today and offers translations reflecting the charm and elegant simplicity of the originals. Duban provides a reader-friendly overview of Sappho's times and themes, exploring her eroticism and separatism, feminist theory, AIDS, safe-sex education, colonialism, S/M, Oscar Wilde, Gertrude Stein, children's books, black nationalism, popular films, Susan Sontag, the closet, homophobia, Freud, Sappho, the media, the hijras of all forms of cultural expression. Representing the best and most significant English language work in the field, The Lesbian and Gay Studies Reader addresses topics such as butch-fem roles, the cultural construction of gender, lesbian disciplines including history, literature, critical theory, cultural studies, African American studies, ethnic studies, sociology, anthropology, psychology, classics, and philosophy, this anthology traces the inscription of sexual meanings in introduction to the contemporary state of lesbian/gay studies, extensively illustrating the range, scope, diversity, appeal, and power of the work currently being done in the field.
