The Boom in Spanish American Literature

1972

By Noé Jitrik

Introduction Roberto Garza-Gonzalez 2012-03-11 The Very Short Introduction chronicles the trends and traditions of modern Latin American literature, arguing that Latin American literature developed as a continent-wide phenomenon, not just an echo chamber of European or US conventions. The book illuminates the connections between the literature of the Middle East and Africa, and the diverse, vibrant literary worlds of Latin America.

The Buenos Aires Review

2010

By Noé Jitrik

A Final Post-Boom in Spanish American Fiction

Santiago 2010-02-10 In his life-time, the Argentine scholar Noé Jitrik has long been one of the foremost literary critics in Latin America, noted not only for the breadth of his knowledge but also for the precision of his judgments.

Modern Latin American Literature: An Introduction

Donald Leslie Shaw 2002 Drawing upon recent research, Shaw traces the pattern from Romanticism to modernism in Latin America, and looks at how the modernist wave of the 1920s and 1930s created a new generation of writers.
